

It is with great sadness that we share the news that EdgeWild Restaurant Group is permanently closing our Creve Coeur and Edwardsville locations. This has been an extremely difficult decision. We love each location and the communities that supported them. You welcomed us in and made us a part of your lives. For that, we can't thank you enough.

Like most other restaurants we have struggled to get back to any sense of normalcy and with the latest surge and closures the fight for these two locations is at an end. Our heart goes out to all of the associates, who are our family, which will be without work in these unprecedentedly trying times. We want to thank each and every one of them. We appreciate all the effort and passion they put into these restaurants over the last few years. There is no way we would have made it through as much as we did without them.

The Chesterfield location will remain open and we hope those of you that can, will continue to support it.

Again, we want to thank our communities for the great support they've shown us. We believe better times await us all and please support your local, independent restaurants. Stay safe. And cheers to everyone's next chapter.
